

This technical site plan illustrates the layout of a sports field, including its boundaries, internal structures, and topographical features. The plan is annotated with various labels and measurements:

- Boundaries and Access:** The field is enclosed by a red dotted line labeled "Recinzione". An "INGRESSO" (entrance) is marked with a red arrow at the bottom left. A "Viabilità consortile" (consortile road) is shown at the top right.
- Topography and Drainage:** Contour lines indicate elevation, with values ranging from 172.50 to 181.50. Slope percentages (P) are noted throughout the field, such as P=2,9%, P=5,7%, P=9,6%, P=6,3%, P=7,6%, P=7,9%, P=8,8%, P=9,5%, and P=8,5%.
- Internal Structures and Features:**
 - Numbered areas (1-11) are distributed across the field, with some areas shaded in green or orange.
 - A "Contenimento con gabbioni in pietra 'a gravità'" (containment with gravity stone gabions) is indicated along the right boundary.
 - A "Rio Carradore" (Carradore River) is shown on the left side.
- Other Annotations:** A red line with arrows labeled 1, 2, 3, 4, and 1' is drawn across the field, possibly indicating a path or a specific measurement line. A small "C" is also visible near the top right.

This technical site plan illustrates a sports field layout with various annotations. The plan includes a central rectangular field area, a surrounding track, and several numbered zones (1-10). Key features and annotations include:

- Field Dimensions and Area:** The central field is marked with dimensions of 100.00m by 60.00m, resulting in an area of 6000.00m².
- Track and Surroundings:** A track surrounds the field, with a total area of 10000.00m². The track is divided into sections, with a total length of 1000.00m.
- Numbered Zones:** The plan is divided into 10 numbered zones, each with a specific area:
 - 1: 100.00m x 60.00m (6000.00m²)
 - 2: 100.00m x 60.00m (6000.00m²)
 - 3: 100.00m x 60.00m (6000.00m²)
 - 4: 100.00m x 60.00m (6000.00m²)
 - 5: 100.00m x 60.00m (6000.00m²)
 - 6: 100.00m x 60.00m (6000.00m²)
 - 7: 100.00m x 60.00m (6000.00m²)
 - 8: 100.00m x 60.00m (6000.00m²)
 - 9: 100.00m x 60.00m (6000.00m²)
 - 10: 100.00m x 60.00m (6000.00m²)
- Annotations and Labels:**
 - INGRESSO:** Entrance point at the bottom center.
 - Rio Carradore:** A river or stream located to the left of the field.
 - Viabilità consortile:** A label indicating a consorzio road, located at the top right.
 - Contenimento con gabbioni in pietra "a gravità":** A label indicating a containment system using gravity stone gabions, located at the top right.
 - Recinzione:** A label indicating a fence, located at the bottom right.
 - Gradients:** Various gradient values are noted throughout the plan, such as P=2.9%, P=9.6%, P=6.3%, P=5.7%, P=9.5%, P=8.5%, P=7.6%, P=7.9%, and P=8.8%.
 - Contours:** Contour lines are drawn across the plan, indicating elevation changes.
 - Other Features:** The plan includes a central building, a parking area, and various other structures and paths.

- 1 Cabina elettrica
- 2 Casa del custode
- 3 Locale pesa
- 4 Pesa
- 5 Area lavaggio mezzi
- 6 Area sosta cassoni
- 7 Capannone/uffici
- 8 Vasche del percolato da 50 m³/cad
- 9 Impianto antincendio
- 10 Impianto trattamento acque di prima pioggia
- 11 Impianto trattamento percolato
- Pozzetti monitoraggio sotto telo
- Pozzi emungimento percolato
- Piezometri
- - - Recinzione esistente
- - - Nuovo tratto di recinzione
- ▬ Gabbioni di contenimento in pietre "a gravità"
- ▬ Impronta pista di servizio in progetto
- ▬ Argine in terra compattata
- ▬ Argine in terra armata
- ▬ Piste di accesso
- ▬ Lunghezza rampe 45 m. larghezza 6 m.
pendenza media 13%

PROGETTO DEFINITIVO
(Revisione successiva alla C.d.S. del 30/05/2024)

Il Proponente:

BARBAGIA AMBIENTE s.r.l.
Sede Amministrativa: Via Convento n°35 - 08100 Nuoro

I Progettisti:

A.R.T. Studio Ambiente Risorse Territorio s.r.l.
Via Ragazzi del '99 n°5 - 10090 BUTTIGLIERA ALTA (TO)
